

Greater Youngstown Community,

The City of Youngstown and JAC Management Group are excited to announce that we are hiring a Community Engagement and Inclusion Coordinator for Youngstown's brand new 22-acre riverfront entertainment complex. The complex will encompass the City's new park, the Covelli Centre and the Youngstown Foundation Amphitheatre which is set to open in the summer of 2019. Within the Park, will be the Great Lawn and Community Alley, key areas this position will promote.

The focus of this position is to connect with the residents of Youngstown on a grassroots level. This will include gathering community feedback, creating sustainable programming and providing access to the facilities and resources to host quality of life events and seasonal programming for residents of our great community. The Community Engagement and Inclusion Coordinator's primary objectives will be to work directly with community groups, churches, neighborhood associations and downtown businesses to build relationships that results in the identification and production of program, projects and events that resonate with city residents.

We are seeking a dynamic and motivated candidate seeking to listen and learn from stakeholders to discover fresh ideas. The successful candidate will have above average interpersonal skills to effectively serve a diverse constituency. This subcontracted position will report to the Community Engagement and Inclusion Initiative Committee and work closely with the manager of the facilities (JAC).

Applications must be submitted by Friday, January 25th, 2019.

Sincerely,

The Community Engagement and Inclusion Initiative Committee
